

LINCOLN TRAIL AREA DEVELOPMENT DISTRICT
CASE MANAGER/SOCIAL WORKER

Multi-jurisdictional, planning and development agency seeking a motivated and client oriented individual to provide assessment and case management services, including home visits, for elderly and disabled individuals in the Lincoln Trail region. Position is time limited and may be implemented through a personal service contract (*status of contract vs employment is negotiable*). Position will be working in a variety of programs including Older Americans Act programs and any other programs provided by the agency. Requires a Bachelor's Degree in Social Work, Psychology, Sociology, RN, or a related field. Applicants with Bachelor's Degree in other fields must have two years of experience working with the elderly/disabled. Specific areas of work include, assessment, case management, and care planning. Must be able to handle multiple tasks, projects and programs simultaneously and be team oriented. Job requires proficiency with Microsoft Office software and knowledge of human services programs.

Please submit resume, work history and three references by mail/fax/email to:
