**Opening Remarks**

Judge Lucas welcomed all Committee members and guests.

**Minutes**

Mr. Craig Caudill with the KYTC Office of Rural and Municipal aid then gave a presentation over County and Municipal Road aid. Mr. Caudill answered a few questions posed by committee members during his presentation, particularly addressing the 80/20 Bridge Program.

**Approval Item**

Mr. Bo Martin then provided the committee with the SHIFT 2022 Draft Prioritization Plan for

Lincoln Trail ADD. Mr. Martin explained that the document was mandated by KYTC and served as a narrative describing how and why regional projects were selected and boosted in the LTADD SHIFT 2022 process. After a review of the document, the committee approved the 2022 Draft Prioritization Plan. The motion to approve was made by Judge Graves and it was seconded by Judge Durrett.

### **Discussion Item**

Mr. Bo Martin then gave an update on the SHIFT 2022 process. Mr. Martin stated that he expected project scores to be returned from KYTC very soon and that the committee would be boosting projects at the next RTC meeting, which was tentatively scheduled for July 21, 2021.

### **Discussion Item**

Mr. Bo Martin then asked the committee to provide their thoughts on future meeting format (virtual or in-person). Mr. Martin relayed to the committee that the Federal Highway Administration (FHWA) and the Kentucky Transportation Cabinet (KYTC) had both expressed their preference for meetings to continue to be offered in a virtual format. Judge Lucas stated he preferred in-person meetings but did not object to a virtual format, while Judge Graves stated he preferred the hybrid format.

Mr. Martin informed the committee that LTADD is currently working on a hybrid meeting style where both in-person and virtual attendance would be possible. No additional comments were made.
