I. Description of the Lincoln Trail Workforce Development Board and Workforce Development Area:

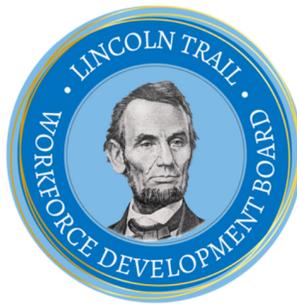

The Lincoln Trail Workforce Development Board (LTWDB) is the workforce development strategy and policy board for the Lincoln Trail Workforce Development Area (LTWDA), formed and certified under the provisions of the federal Workforce Innovation and Opportunity Act (WIOA) of 2014. The Lincoln Trail Workforce Development Area consists of 8 counties in central Kentucky: Breckinridge, Grayson, Hardin, Larue, Marion, Meade, Nelson and Washington.

The LTWDB, in partnership with the Lincoln Trail Chief Local Elected Official (CLEO), has responsibility for the planning and oversight of workforce development services under the Workforce Innovation and Opportunity Act. The LTWDB will interact with the contractor administratively, by providing leadership, guidance, professional development, technical assistance, monitoring and other activities to ensure the contractor executes the strategies and policies of the Lincoln Trail WDB. Five high-demand sectors have been identified for the Central Kentucky region and also occupations within those sectors. The contractor should review the LTWDB WIOA Regional & Local (PY2025-PY2028) for additional information on Board priorities.

Primary funding for the Lincoln Trail Workforce Development Board comes from the U.S. Department of Labor, through the Kentucky Education & Labor Cabinet and the Department of Workforce Development (DWD). Other funding sources and programs may also be available and by submitting a proposal, the applicant assures the LTWDB that: the applicant will provide appropriate direct workforce services in the Lincoln Trail region under any of the LTWDB's current or future funding sources, as requested; and the applicant will work cooperatively and effectively with any entities that partner with the LTWDB.

II. Background: The Workforce Innovation and Opportunity Act of 2014 (WIOA) requires a customer focused workforce system that is accessible to all job seekers and businesses. The Lincoln Trail workforce system partners are responsible for collaboration and coordination of services in order to provide a holistic, seamless delivery of services necessary to assist customers with workforce related issues. WIOA authorizes three types of services for adult and dislocated workers: Basic Career Services, Individualized career services (including training), and follow-up services and these services are provided by multiple partner agencies. For youth programming, there are 14 program elements that must be made available either directly or through other providers.

NOTE: For more specific information regarding adult, dislocated worker and youth requirements, please refer to WIOA (Public Law 112-128); the WIOA Final Rule (20 CFR 603-688); US Department of Labor Employment and Training Administration's Training and Employment Guidance Letters (TEGL) 16-16, and 17-16; current and future Commonwealth of Kentucky directives; and all other applicable Federal, Commonwealth and local laws, regulations, policies and other requirements.
